## HELLERSTEIN & BRENNER VISION CENTER, P.C.

7400 East Orchard Road, Suite 175-S • 303-850-9499 • [www.hbvision.net](http://www.hbvision.net)  
 Hellerstein & Brenner Vision Center, P.C. • Monday-Thursday 8 a.m.-6 p.m., Friday 8 a.m.-5 p.m.  
 Dimensions in Sight, LLC (Optical) • Monday-Tuesday 8 a.m.-6 p.m., Wednesday-Thursday 8 a.m.-7 p.m., Friday 8:30 a.m.-5 p.m.

At Hellerstein & Brenner, you truly have a partner in Total Vision Care that strives to go beyond “20/20!” Hellerstein & Brenner Vision Center, P.C., a full scope optometric and optical practice that has left a legacy of quality eye care service in the Southeast Metro community for more than 20 years, has embarked upon meeting the needs of the 21st century lifestyle of the Village community now, more than ever before, with their state-of-the-art offices right here in the Village!

“Our practice is dedicated to providing the highest quality vision care to patients of all ages in a friendly, comfortable and professional atmosphere,” said Dr. Hellerstein, founder and owner. She started her own optometry business in 1977 and has been in optometric practice for 37 years in Colorado. Along with her co-owner, Dr. Tricia Brenner, who has been in practice for 30 years, they both are Denver Natives (third and second generation) and have a robust passion for bringing the community exceptional eye care services and products!

A pioneer in vision therapy and developmental optometry for more than 35 years, Dr. Lynn Hellerstein has helped thousands of children and adults improve their vision and transform their lives — at home, in the classroom, and most recently on the playing field. Her breakthrough methods unlock barriers to learning and “rewire” the brain for those with perceptual or visual processing deficits. She is also an award-winning author and speaker in the areas of vision and

learning, visual problems associated with a brain injury, sports vision and visualization. Performance on the job, in school, in sports, and in the home requires appropriate optometric/eye care treatment.

“We selected our Village location because of its convenience and accessibility at the South Orchard and Quebec location,” said Dr. Brenner. “The surrounding community has vibrant and active lifestyles, placing high demands upon quality vision, more than ever before,” added Dr. Hellerstein. The Hellerstein & Brenner Vision Center staff focuses on the prevention, treatment, remediation, and enhancement of the visual system for children and adults to achieve optimal function.

Adults in our technology oriented society constantly use their near vision at work and at home. Environmental stresses on the visual system (including excessive computer use or close work) can sometimes induce headaches and visual difficulties which can be effectively treated with corrective lenses, specialized tints or Vision Therapy — an area in which Hellerstein & Brenner Vision Center excels.

Dr. Hellerstein highly recommends early preventive eye care. A trip to the eye doctor may be the first window that can display a host of medical issues that can be detected early, according to Dr. Hellerstein. A FREE vision assessment is available for a six month to 1-year-old (InfantSee®) and

comprehensive vision exams are recommended for children at three years, five years, and then yearly during school times. The impact of a child's overall school and sports performance are recognized, and any vision problems are detected early by the Center's qualified staff.

Dr. Brenner and staff are also excellent contact lens fitters. They utilize cutting edge technology and the newest contact lenses (soft, extended wear, gas permeable and scleral). They want you to have a positive, successful experience while ensuring that you have been fit in a contact lens that works for your personal needs and overall eye health.

In addition to providing vision examination services and treatment of many eye diseases, Drs. Hellerstein and Brenner also have a beautiful and professional optical business onsite called Dimensions in Sight, LLC. A staff of Certified and

experienced opticians offer designer eyewear, fashion sunglasses, and the latest lens technology. Most medical and vision insurances are accepted.

Hellerstein & Brenner Vision Center, P.C. and Dimensions In Sight, LLC are located at 7400 East Orchard Road, Suite 175-S. For upcoming 2015 schedule of events, including eyeglass trunk shows, and all additional information, call 303-850-9499 or visit their website at [www.hbvision.net](http://www.hbvision.net). Hours of operation are Monday-Thursday: 8 a.m.-6 p.m., Friday: 8 a.m.-5 p.m. Phone hours: 8:30 a.m.-12:30 p.m., 1:30 p.m.-6 p.m. (5 p.m. on Fridays). Dimensions in Sight, LLC (Optical) is open Monday and Tuesday: 8 a.m.-6 p.m. Wednesday and Thursday: 8 a.m.-7 p.m., Friday: 8:30 a.m.-5 p.m. Selecting the appropriate optometrist/eye care professional is of the utmost importance to you, your family, and your health! *GV*
